EAST SEVIER COUNTY UTILITY DISTRICT BOARD OF COMMISSIONERS MEETING SEPT 13, 2018 5:30 P.M.

AGENDA

- 1) Call to Order by President Roy Ivey
- 2) Motion to approve the minutes of the August 9, 2018 meeting
- 3) Motion to approve the Accounts Payable Listing in total as submitted

REPORTS:

4) Alliance Water Resources – Financial Report / Operations

PERSONS TO BE HEARD:

ONE AT A TIME AS RECOGNIZEDWhen it is your turn to speak, please stand and state your name.Please be considerate of others that may wish to speak by keeping your comments brief.

5) Customers' Comments; Questions; and Concerns

OLD BUSINESS:

6) None

NEW BUSINESS:

- 7) USDA Wastewater Loan Closing
- Adjournment Next regular meeting to be held on Thursday, October 11, 2018 5:30 p.m.

MINUTES

BOARD OF COMMISSIONERS OF THE EAST SEVIER COUNTY UTILITY DISTRICT

Thursday, August 09, 2018

The Board of Commissioners of the East Sevier County Utility District met at 5:30 p.m. on Thursday, August 09, 2018, in the office of The East Sevier County Utility District, 1529 Alpine Drive, Sevierville, TN 37876. Commissioners present were Roy Ivey, President; Barbara Darby, Secretary/Treasurer; and Janice Brooks–Headrick.

President Roy Ivey called the meeting to order at 5:30 p.m. for any old or new business.

A motion to approve the minutes of the July 12, 2018, meeting was made by Janice Brooks-Headrick; Barbara Darby seconded the motion. Motion carried.

A motion to approve the Accounts Payable listing in total as submitted was made by Barbara; Janice seconded the motion. Motion carried.

Reports

James Ford, Local Manager, submitted the report concerning District financials for the month of July 2018. He went over the balance sheet and budget with the Commissioners and reported that we were well above the budget in July due in part to the purchase and reselling of the pump kits. Janice asked about the "Allowance for Doubtful Accounts" item, which are accounts that may have to be written off to bad debt in the future. Barbara motioned to approve the August 2018 financials as presented; Janice seconded the motion. Motion carried.

A letter from the Tennessee Comptroller of the Treasury was presented to the Board, which discussed important points of the 2016-2017 fiscal year audit. The most pressing point was ascertaining "the value of certain assets that were donated by homeowner associations related to agreements for operating and maintaining their sewer system." The Comptroller suggested that "Utility district officials should treat this qualified opinion very seriously, taking whatever action is necessary to ensure priority is given to this matter...(and) should implement internal control procedures necessary to provide sufficient support for all of the district's assets."

James submitted his Operations report. We added the call waiting feature to our office phone and solved the problem of the voice mail not picking up a few days ago. He reported that construction is booming offsite and went over points concerning collection and distribution, pump kit sales and installation, vehicle maintenance, and safety. We purchased coolers for everyone to help keep staff hydrated and cool while they are working in the heat. We lost one of our vehicles—the engine blew right in front of a repair shop. A mechanic there offered our employee \$400 for it. Roy said the District is supposed advertise and get a bid on it. Barbara made a tentative motion to attempt to solicit bids before selling the truck; Janice seconded the motion. Motion carried.

Persons to be Heard

Carol Peak of 1406 Lin Creek asked if we got the ok to start work on the new wastewater treatment plant. Evan said that he talked to a few people about it and turned in paperwork to TDEC. The job is too specific to a certain type of vendor to get many bids. Jamie Carden has the information and sent it back to the USDA tomorrow, the 10th. Evan expects to bid it out over the winter and have construction start in March of 2019.

Old Business

There was no old business to discuss.

New Business

It was discovered that one page of the budget, the Statement of Expenses in Dollars, contained an error. The error was corrected and was presented to the Board. That was the only correction necessary. Janice motioned to replace the page with the corrected copy. Barbara seconded the motion. Motion carried.

The next regular meeting will be held on, Thursday, September 13, 2018, at 5:30 p.m.

<u>Adjournment</u>

Roy Ivey moved, and Barbara Darby seconded, a motion to adjourn at 5:51 p.m. Motion carried.

OPERATIONS REPORT – East Sevier County Utility District

August 2018

Administrative

Staff are still working to set up accounts for offsite customers.

<u>Treatment</u>

Treatment at the wells is monitored daily.

Treatment at the wastewater plant is effective.

Collection/Distribution

Renewed our membership with the Tennessee Association of Utility Districts. TAUD is an important ally.

Continue to coordinate effectively with the Douglas Lake Homeowner's association to ensure a successful relationship.

Installed 5 pump kits at offsite resort communities.

Had a brake job and oil change on an ESCUD vehicle.

Replaced the pump motor at the Well C booster station.

Worked with the Board President to develop an effective inventory at ESCUD.

Worked with the Board President to purchase much needed tools at ESCUD.

Replaced two broken yokes on Lin Creek Road.

Customer Service

The staff performed a house call for a senior member of the community to discuss possible scenarios regarding sewer odors in her home and how to correct them.

Project Updates

The USDA is officially ready to release funds for the wastewater project.

OPERATIONS REPORT – East Sevier County Utility District

<u>Safety</u>

Safety meetings regarding proper use of razor knives, safe driving practices, and lockout/tagout were held during the month of August.

Regulatory

Monthly Water and Wastewater reports were successfully submitted to the Tennessee Department of Environment and Conservation.

Training

Our newest employee, Seth Self, can run daily water ops without supervision.

Concerns for the Month

Staying hydrated and aware during hot weather working conditions.

Positives for the Month

A new focus on utilizing "One Call" for non-emergency situations has had a quality impact with our customers. It has become apparent that the community likes to know what type of projects we are working on.

Leak Repairs

Numerous on and offsite repairs were made.
