## **Reports**

Since there were no questions concerning the December financials, Barbara motioned to approve the Accounts Payable listing in total as submitted. Janice seconded the motion; motion carried. Barbara motioned to approve the financial report as submitted. Janice seconded the motion; motion carried.

On the Mountain, a repair was made to the post-chlorine feed at Well C. The small ESCUD generator used for pumps, the jackhammer, and lights has been repaired and is functioning properly. Numerous batteries were purchased for our Dewalt tools. Staff successfully responded to two callouts over the Christmas and New Year holidays. Progress at the new wastewater treatment plant (WWTP) included the installation of all three blowers, the installation of all three upper manholes, and the electrical pull-ahead work, facilitating start-up in late January. A catastrophic water main break was repaired on Alpine Drive. The December safety meeting covered chlorine safety.

Offsite, three new pump kits were installed at For by Grace. Two pumps, three new valves, and new piping were installed at the Sherwood Forest WWTP. Staff installed three float switches at Douglas Lake Resort.
